

Mr. and Mrs. Vern Norland and their three children have recently returned here from Kansas, where they moved last year.

## 'Chit-Chat from The Teeners'

By Gloria McKinzie and her helpers

(Ed's note: Gloria has taken herself to Balboa for the Easter vacation, probably to make a little news for next week's column. She'll be surprised by some of the news we learned about popular individuals in the teen-age circle just by staying at home!)

Delores Coelho and Betty Murphy returned Thursday from a several day Easter holiday visit at the home of Delores' grandmother at Costa Mesa.

New teacher in the seventh grade at Cypress elementary school is Donald Todd, formerly of Lynwood. He is replacing Albert Ames, who resigned.

## LYNX OPENS BALL SEASON

Buena Park's Lynx, girls' softball team, will open their season in Pacific Coast league play against Orange on May 10, it was revealed this week. Marion (Shorty) Hill, Lynx manager, was host to the league managers at his home here on Saturday night and a 30-game league schedule resulted.

While the opening game of the season is at Orange, the local girls play hosts on their own diamond the following Wednesday night, May 14, against the Lionettes.

## BUILDING PERMITS ISSUED

Building permit valuations totaled \$45,100 in the Buena Park area during the past week, as disclosed by county building department records, the total for the county's unincorporated area being \$640,272.

Stanton had one permit, a \$14,000 residence for Mrs. John Sherman, 8571 Ball road. Cypress had a \$3000 permit for chick shelters, to be erected by Earl R. Travers at 7461 Crescent ave.

## Local Topics

Mrs. Theo Miller, who was recuperating from an injured ankle, had the misfortune to step in a hole in the yard, damaging the offending member once again. She gets about with the use of a cane, and a cast is once more necessary.

Installations of officers in various VFW posts and auxiliaries in the county are claiming the attention of local members. Going to Laguna Beach Friday night were H. J. G. "Happy" Kreissler, Lee Shear, Ray Lucas, Mr. and Mrs. Leon Sewell, Mr. and Mrs. William Cowen, Mrs. Castella Rogers and Mr. and Mrs. E. E. Goodman. The latter trio spent the night in San Juan Capistrano with Mrs. Goodman's parents, Mr. and Mrs. George Welch, before returning home Saturday morning.

Sunday was a memorable day for Mrs. Ruth Lockman, 8622 Belmont st. Members of her family and their friends honored her parents, Mr. and Mrs. F. L. Purvine, on the occasion of their sixtieth wedding anniversary at their Riverside home.

Mrs. E. E. Goodman and Mrs. Ray E. Lucas were hostesses at the VFW hall Saturday night when members of the Cooties and Cootiettes group to which they belong were entertained by the Cypressans.

## DAVID JOHN BREAKS ARM

David John, four-year-old son of Mr. and Mrs. William John on Saint Ann avenue, suffered an unfortunate accident last week. He fell from a stool in the living room, and broke the bones in his right forearm.

The lad was taken to Oceanside for treatment in the navy hospital. His arm will be in a cast for about six weeks, and he requires the constant care of his mother.

The Santa Ana college "swing choir", of which Miss Lois Swift is a member, appeared on Bob Moon's program, "Your town's talent" on Thursday night.

Don R. Canfield is enjoying a week's vacation from his work, and is happy to be spending it during the Easter holiday while the couple's two small children are home from school.

Miss Elizabeth Dickerson, superintendent of Cypress elementary school, is attending a school administrators' meeting in Santa Barbara during the Easter vacation.

Mrs. Janie Kisse, aunt of Mrs. Earl Essex, continues in a serious condition in her Lakewood home, where she lives with her daughter, Mrs. Pearl Rath.

Prof. and Mrs. Darrol Davis and two sons, Bobby and Darrol, Jr., of Oakland are guests this week of his mother, Mrs. Earl Sartwell, and his brother, Henry Davis. Professor Davis is attending a school principal's convention in Los Angeles.

### RUSSELL FLYNN TO L. A. MEET

Cypress will be represented at the 35th Annual Lumbermen's meeting to be held April 15-17 at the Ambassador Hotel, Los Angeles.

Clayton Rand, one of the south's outstanding journalists and speakers, will top a number of national figures at the convention.

### AUXILIARY SENDS TO CANCER FUND

Members of the auxiliary to C. R. Rogers Memorial VFW post No. 9847 voted to send \$48 to the organization's cancer relief fund at Monday night's meeting. Mrs. Malvern Blake was chairman for the local group.

Reports marking the close of the fiscal year were heard from all committee chairmen. Lee Shear, member of the post, visited the meeting to make arrangements with auxiliary committee members to serve refreshments at the close of the joint installation of officers. This event is scheduled for April 24 in the schoolhouse.

Mrs. E. E. Goodman, president, appointed a committee to provide suitable gifts for members of the installing team on that occasion.

### STUDENT ASSEMBLY IS BIG SUCCESS

Eldona Baker of Mrs. Mylius' eighth grade was the star attraction at the student assembly held in the school auditorium Friday, April 4. She demonstrated some archery skills, then told the students some of the history of the sport of shooting a bow and arrow. She did a nice job and the students enjoyed it very much.

The students of Mr. Martin's sixth sang "Down yonder". Girls from Mrs. Lissner's fifth grade sang "Slow poke" and "On top of Old Smoky." Susanne Lukens and Ivey Giles led the community singing. Rosalie Miller played the piano.

Todd Leverich and Robert Hathcock led the flag salute. Margie Zwart read the secretary's report and Billy Kelliker and Bob Mata presided at the meeting. Most of the students considered the assembly a real success.

**Sound Business Methods Urged For County**

Edward Faulkner

Any County Government spending nearly \$17,000,000 a year as Orange County's budget this year discloses, needs the best business management available.

Our own Third supervisorial district is not now doing its part in providing competent business management of county affairs through the Board of Supervisors.

This failure hits at our own purse and is harmful to our general interests. It is also harmful to the county as a whole, when our Supervisor is out of step with the Board and its efforts to administer affairs efficiently and economically.

When we find in our county budget such items as \$1,489,880 for highways, \$1,603,500 for flood control, \$2,078,942 for the hospital, a building fund of \$750,000 we realize that the task of the Supervisor calls for something more than political job-holding. It needs business ability and it needs consideration of the taxpayer's position.

In discussing the office of Supervisor from the Third district I do so as a candidate, also as a taxpayer, also as a businessman, who would like to see a businesslike handling of the job.

I respectfully request all parties interested in our Third district to please drop me a line now, and state their opinions and suggestions along with constructive criticism concerning your community or county as a whole. Point out why you feel we need real active representation, and why you feel we have not received the proper representation.

Write Edward Faulkner, 6941 Grand Avenue, Buena Park, Calif. Phone Buena Park 2769.

**April Events Prove Spring Has Come To Sunny Southern California**

Spring is bursting out all over Southern California during April, according to the calendar of events issued by the All-Year Club today in its work of building up the Southland's half-billion dollar a year tourist business.

Arcadia holds a Spring Festival April 26 with a parade and ball on the "Western Dude" theme.

Carlsbad holds the Spring Holiday April 30 to May 4 with children's pet show, parade, pageant, Gay 90's Review, street dance and carnival.

Leo Carillo will be grand marshal of the Grub Stake Days April 19-20 at Yucca Valley in San Bernardino County.

The Ramona Outdoor Play, the only event of its kind in America, opens for the 25th year on April 19-20 in the canyon amphitheater above Hemet and San Jacinto. Some 350 citizens of both towns take the roles. Other performances are April 26-27 and May 3-4.

Catalina Island greets the return of the flying fish with a Festival Saturday night, April 26, highlighted by a parade of light-decorated boats across Avalon Bay while a 40,000,000 candlepower searchlight sweeps the water and sends the fish flying in droves.

The San Diego Yellowtail Derby opens April 2, to last until Aug. 17 for \$10,000 in prizes. Some 35,000 fishermen compete, making this one of the nation's biggest fishing tournaments.

In Los Angeles the annual Sportsmen's Vacation and Trailer Show will be held April 10-20 at the Pan-Pacific Auditorium with Chief Needahbeh as master-of-ceremonies.

The Santa Barbara Cymbidium Orchid Show, usually exhibiting \$500,000 worth of plants, will be held April 24-27.

A green rose will be shown in the San Diego Spring Rose Show at Balboa Park April 19-20.

The 26th Annual Coronado Flower Show will include 2000 exhibits, including a section by 300 children, April 19-20.

Ten of the most beautiful residential gardens at La Jolla are thrown open for tours April 19.

And the world's biggest rose garden, 14,000 bushes of 150 varieties, reaches one of its two annual peak blooming periods in April and May at Exposition Park, Los Angeles.

POLITICAL ADVERTISEMENT

**Glen McCloud Says**

Government is like any business—to be successful, basic honesty, truth and sincerity must be practiced by all who serve the people.

Too often, we choose men to serve us in public office without giving careful consideration to our choice, Government, regardless of the level—though it be city, state or national, must be administered as faithfully as we would our own business, to be economical, efficient and to benefit the greatest number of people.

Our country was founded on the ideal of a government for the people—and by the people. The patriots labored to found our nation, left solemn warning that honesty and integrity must be practiced if the nation were to survive.

Too often, those in public office, lose sight of the objectives and moral obligations required by the voters who placed them in office.

If we are to remain a great nation, we must return to principles of truth and honesty in government as well as everyday living.
